Crystal Rig IV

Issues Tracker January 2025

Date	Issue	Reported by	Location	Response
20/1/25	Speeding HGVs	Member of community	A1 Junction to Thurston Manor	Response sent noting that: For 20/1/25 data has been requested. On 21/1/25: Tracker information shows that HGVs did not reach above 23mph. Drivers have been reminded of the 20mph speed restriction. For dates detailed in email received on 30/1/25: Tracker information shows some HGVs hovering around 25mph. Discussions held with the haulier, reminded them of the 20mph speed restriction and that this is unacceptable. Also raised with HGV management to discuss the issue. Other vehicles listed were not connected with CRIV construction Tracker data for 31/1/25 has been requested.
